All our food is prepared in a kitchen where allergens are present. If you have an allergy or intolerance, please speak to a team member before ordering. For gluten information, please ask for our NGCI (Non-Gluten Containing Ingredients) menu. We cannot guarantee that any dish is completely free from specific allergens.
Our allergen information covers only the 14 legally recognised allergens and does not list every ingredient, so a dish may contain other ingredients you are allergic or intolerant to. Deep-fried dishes may have a higher risk of cross-contamination. Some foods are fried in genetically modified vegetable oil.
